

The Smart Solution to Hall Passes

- ✓ Comprehensive digital record of missed class time
- ✓ Personalize pass limits based on unique student needs
- ✓ Detect & automatically block students from meeting up
- ✓ Best-in-class, easy implementation
- ✓ Works on any device
- ✗ No GPS location tracking

Hall Pass

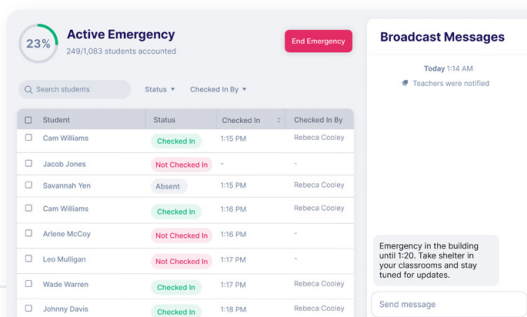

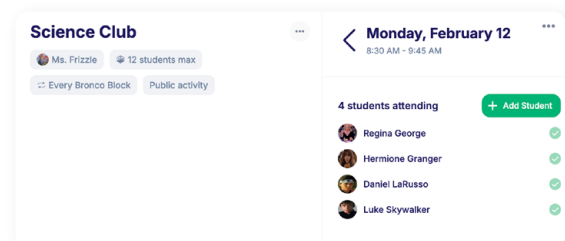

Missed Class Time

Students spend critical instructional time in your hallways. SmartPass helps control the flow of students and ensures they get the most out of the school day.

Flex

Supporting Interventions

Combat learning loss and support students with individualized program needs by tracking targeted interventions and supports.

Emergency Mode

School & Student Safety

Identify which students are in your hallways and instantly account for them — vital whenever you need to stop all movement in your building.
